SHEPARD GARDEN & ARTS CENTER

3330 MCKINLEY BLVD., SACRAMENTO CA 95816

FREE AND OPEN TO THE PUBLIC

You're invited to be part of this exciting event to be held once again at the Shepard Garden & Arts Center in Sacramento's McKinley Park.

This annual event is popular with the local gardening community and a great way for smaller more unusual vendors to reach a new audience.

This is not a craft show. Our vendors are regional nurseries, not garden clubs selling plants. We have garden artisans with sculpture, pottery, and paintings. Also, books and other items for the home and garden will be for sale. We'll have educational booths and other activities planned.

Cost is \$55.00 per 6ft for table, chairs are included. Depending on location, outdoor space can be 10' x 10' to 10' x 20'. There is a covered patio and other areas that are under cover.

You may bring your own pop-up canopies, additional tables and racks for displaying your product. Indoor space has been expanded. There is now space for a limited amount of 8' x 10' and 8' x 15' size displays. No canopies are allowed indoors.
